

## Extended Access to Primary Medical Services

**\*\*\* Evening and weekend appointments now available \*\*\***

From 1st October 2018 everyone in England will benefit from access to general practice appointments in the evenings and weekends at a time that is most convenient to them. This is part of a national drive to help improve access to general practice and get the best possible outcomes for patients. Further information is available at <https://www.england.nhs.uk/gp/gpfv/redesign/improving-access/>.

Patients who are registered at this practice can now book an appointment to see a range of clinicians including GPs and nurses on weekday evenings (after 6.30pm) or at the weekends (on Saturday and Sunday). Appointments will take place at a range of NHS settings across North Lincolnshire. Talk to the practice receptionist to discuss an appointment.
