

Improving Access to General Practice with Evening Appointments

Local GP Practices are working together to offer patients better access to GP appointments.

King Cross Surgery's registered patients can now be seen for routine appointments every weekday evening between 6:30pm and 8:00pm.

15 minute appointments are provided by GP's, Nurses and other clinicians at Spring Hall Medical Practice, who are acting as a local hub providing these appointments on behalf of the 7 GP practices of Central Halifax Locality.

How to book

To book these appointments, please contact your registered GP Practice by phone or in person and ask them to make the appointment for you. Appointments can be booked in advance or on the same day subject to availability.

Where will the appointment be?

All these appointments will be booked for attendance at your local hub, which is:

Spring Hall Medical Practice

173 Spring Hall Lane, HX1 4JG

Directions to this practice are available upon request when booking the appointment.

How to cancel

If you cannot attend your appointment for any reason please contact your registered practice as soon as possible up until 6:30pm. Between 6:30-8:00pm please phone 01422 893022.

What you need to know

By using this service you are consenting for Spring Hall Medical Practice to have access to your medical records for the purpose of this appointment.
