

Walk-in centres

NHS walk-in centres offer fast and convenient healthcare advice and treatment for minor injuries and illnesses such as sprains, insect bites, burns, colds and infections.

They don't replace your local GP or hospital services, but complement existing local services.

Our NHS walk-in centre is at:

King Street Health Centre
47 King Street
Wakefield
WF1 2SN
Tel: 0845 121 1023

The walk-in centre offers fast and convenient healthcare advice and treatment for minor injuries and illnesses without the need to book an appointment. It provides a wide range of services including:

- flu jabs
- minor surgery
- blood tests, and
- help to stop smoking

The opening hours are 8.00am to 8.00pm, seven days a week, including Bank Holidays, Christmas Day and New Years Day. No appointment is necessary; you just need to walk in and an experienced nurse will see you as soon as possible.

The walk-in centre is close to the city centre and to bus and train stations. There are about eight public car parks within walking distance with free parking on King Street for disabled badge holders.

There is also a **minor injuries unit at White Rose Surgery in South Elmsall** where you can get treatment for less serious injuries such as small cuts, bumps, burns, stings or sprains.

It is open:

- Monday to Friday 8am - 8pm
- Saturday 9am - 5pm
- Sunday 10am - 5pm
- Bank Holidays - 12 noon til 4pm

The telephone number for White Rose Surgery is 01977 642412.

Things you should know

Wakefield NHS Walk-in Centre

Wakefield NHS Walk-in Centre offers fast and convenient access to local NHS advice, information and treatment. The Walk-in Centre helps people whose busy lifestyle, or circumstances and particular needs make flexible and accessible services important. It doesn't replace local GP or hospital services - it complements existing local services.

Wakefield NHS Walk-in Centre offers you healthcare advice and treatment without having to make an appointment, take time off work or rearrange your day.

At the Walk-in Centre you can expect:

- seven days a week service
- consultations with an experienced nurse
- access to health advice and information on other local services

- advice on how to stay healthy
- information on local out-of-hours GP and dental services
- information on local pharmacy services
- treatment for minor injuries and illnesses e.g. strains and sprains, coughs, colds and flu-like symptoms.

Concerned about your health?

Get the right treatment

- If you are at home and would like advice, call NHS Direct on 0845 46 47, which is a nurse-led telephone service offering confidential healthcare advice and information, 24 hours a day.
- Ask your local pharmacist for advice, from sprains to stomach upsets. Pharmacists are qualified to give you expert advice without an appointment.

- Visit the Wakefield NHS Walk-in Centre to see an experienced nurse for information, advice or treatment for minor illness and injuries.
- Call your surgery for an appointment with your GP or Practice Nurse.
- Go straight to the hospital A&E department if you have a more serious injury.
- Call 999 for an ambulance for very serious emergencies such as loss of consciousness, severe chest pain, serious accidents or severe blood loss.
