

Patient Participation Group (PPG)

Member Profiles

Dr Peter Donk – GP Partner

I have been a partner of the St Vincent Practice since February 1996. It is my pleasure to be a GP representative on the PRG, building on doctor/patient relationship and ensuring the practice moves forward with the group's involvement. In my role as a GP I am also a GP Board member for the Doncaster Central Constituency Group (DCCG), working on your behalf.

Lynne Neal – Practice Manager

I have worked at the St Vincent Practice for 32 years and have been practice manager for almost 14 years. The concept of a Patient Participation Group is to help us, as an organisation, to improve the way in which we provide care, and to improve patient's experiences of the Health Service. The group met for the first time on Wednesday 17th July 2013 and we look forward to a successful, positive and ongoing association with the group.

Ruth Parker – Assistant Practice Manager

I have worked at the St Vincent Practice for 10 years and have been Assistant Manager since April 2013, previously I was a medical secretary. It is my role to deal with the financial aspects of the practice and to work closely with the Practice Manager to ensure the smooth day to day running of the practice.

Debbie Wright – Senior Nurse

I have worked at St Vincents since September 1999. I oversee the nursing team and organise their clinical sessions. I also work closely in diabetic and CHD clinics and always strive to offer a high standard of care.

Bev Lati – Team Leader (77 Thorne Road)

I have worked at St Vincents since October 1991. I lead a team of excellent receptionists who strive to be professional, efficient and approachable at all times.

Jackie Embley – Senior Receptionist (Hollybush)
