

Patients registered to GP practices in North Hertfordshire are being asked their views on GP opening hours by East and North Hertfordshire Clinical Commissioning Group (CCG) and NHS England.

GP practices in North Hertfordshire are currently open between 8am and 6.30pm, Monday to Friday, with some practices open for longer on one or two weekdays or Saturday mornings. These are called 'extended hours appointments'.

The new proposal is to offer extended hours appointments every weekday evening and at weekends/early mornings depending on local demand by 2018. These appointments could be offered at a different surgery to the one that a patient is registered with. Everyone registered with a GP practice in the district is asked to give their opinion on these proposals.

The survey is now live at: <https://www.surveymonkey.co.uk/r/NorthHertsExAccess>

And this can also be found on the CCG website from here:
<http://www.enhertsccg.nhs.uk/have-your-say>

The engagement will last for 8 weeks and will close on Wednesday 18th October
