Dear New Patient

Thank you for your enquiry about joining the practice; we have pleasure in attaching a new patient registration pack.

To complete the registration process we need each person to complete a registration form and a questionnaire.

In response to concerns about fraud within the NHS we have been asked to check the following items for every adult in your household to help us confirm your eligibility to NHS services:

- 1. Photo ID – Passport or Driving License**
- 2. Utility Bill – To confirm address in local area**
- 3. Your allocation letter from the CCG**

Please bring these items to reception with your completed registration forms and this letter. Your items will be checked at reception and handed back to you. Please do not post these items to us – the practice cannot accept responsibility for items lost in the postal system.

To protect you from identity fraud we also require your NHS Number to complete your registration. If you do not know this please contact your previous GP surgery. We are unable to register you with this practice until these items have been provided. The new style NHS number has 10 digits which are all numerical.

Thank you
