

CarePlace

Your London source for
support and advice services

Lambeth

CarePlace

www.careplace.org.uk

CarePlace is a free online directory and marketplace. Giving residents easy access to 1000s of care, support and information sources in Lambeth and across London.

Whether you are looking for care and support services for you or a loved one or just some information and advice on local clubs and activities, CarePlace is a free directory that can help you find what you need.

You can search for:

- Residential Homes and Support Living
- Advice and Advocacy
- Education and Employment
- Health
- Support at Home
- Support for Carers
- Leisure and Community Activities

If you are a resident and do not have access to the internet, or would like some support using CarePlace, you can get support from our digi-buddy service. An innovative peer-to-peer support project helping Lambeth to get online. For details call 020 3691 5111.
