

St Giles Surgery

Patient Participation Group Questionnaire - RESULTS

At St Giles Surgery we have a patient feedback group who meet about 3-4 times a year where we discuss patients' ideas and feedback regarding the services we provide and how they can be improved in the future.

500 PATIENTS SURVEYED

Q1 Did you know the surgery had such a group?

Yes 22% No 63% Don't know 15%

Q2 We would like to arrange some meetings for particular groups of patients to hear your views about the challenges you face and how the surgery could help you.

How interested would you be in attending such a patient meeting at the surgery?

Very interested 17% Fairly interested 28% Not very interested 32%

Not at all interested 12% Don't know 11%

Q3 Please tick which of these patient groups would be of interest to you?
