Health and Wellbeing Fayre Friday 14th September 2018 3-6pm

Dear Patients, Parents/Guardians and children

We would be delighted to see you and your family at our Health and Wellbeing Fayre on ***Friday 14th September between 3 and 6 pm***. After the success of our first event this is now your second chance to come along and participate.

There will be lots of free interactive activities, including exercise classes, fitness equipment, healthy drinks and snacks, as well as advice and information from a range of health care professionals!

Parking is in the local streets, not at the practice, to allow space for all the activities.

Perhaps you or your son or daughter would like to take part in our competition? The NHS turned 70 this year and to mark this occasion we would like you to write a ***NHS 70th birthday celebration poem***.

Attached, is a sheet on which you or your child can write about any experience you or they have had with the NHS. It can be funny, sad, happy or grateful, it's up to you, be as creative as you can! Please return your competition entry to our reception with your name and telephone number and age (if appropriate) on the top ***by Friday the 14th September or bring it along on the day*** to the Fayre and hand it in to a member of staff. The best three poets will win a prize and the winning poems will be framed and hung in the surgery for all to enjoy.

Finally, thank you so much for supporting this village event. We hope to see you there!
