

How to encourage, motivate and inspire the future GP

09:00 10th June 2015 Room 2B Education Centre, Chesterfield Royal Hospital, Chesterfield S44 5BL

We are lucky to have a whole day with Dr Ramesh Mehay on Wednesday 10th June. Some of you may know him as a PD from Bradford who is responsible for the Bradford VTS website. A resource that I would imagine, all GP Trainers used. He is also the author of "The Essential Handbook for GP Training and Education" which is an amazing book covering all that is important in GP training.

Ramesh plans to give us his ideas on developing the future GP as a GP trainer. He is an excellent, inspirational teacher and this day is not to be missed. If you are not a trainer, you are still welcome to come.

Please let Margaret Attenborough (Chesterfield GP Training Programme Co-ordinator) know that you are able to attend and we look forward to seeing you. Contact Margaret by email: margaret.attenborough@nhs.net or phone 01246 513110.
