

**Hardwick CCG and North Derbyshire CCG
In partnership with Derbyshire Healthcare Foundation Trust,
Derbyshire County Council and Family Action**

An invitation to Primary Care Clinicians to attend an evening educational event around Perinatal Mental Health

Both Hardwick and North Derbyshire CCG's have commissioned a community perinatal service for North Derbyshire. The team are based at the Hartington Unit, CRH and in partnership with Family Action and Derbyshire County Council the service will cover Children's Centres across the area.

The evening includes:

- 1. Psychiatric Medication in Pregnancy and Breastfeeding (CPD) –
Dr Paula Brownsett, Consultant Perinatal Psychiatrist, DHcFT**
- 2. Launch of the new North Derbyshire Perinatal Mental Health
Service - Dr Tara George, GP**
- 3. The role of Family Action in managing women with mild
postnatal depression -
Julie Smith, National Perinatal Lead, Family Action**
