The Coatham Surgery is a growing modern practice at the heart of Redcar. We seek to employ an enthusiastic and dynamic Salaried GP to join our friendly and hardworking team. We acknowledge the challenges of the modern NHS and recognise that innovation is the future of general practice. We are prepared to incorporate time for administration, education and reflection into your working week, aiming for a better work-life balance and ongoing career development. We are ready for you to join our team immediately, but are willing to wait for the right candidate.

We look forward to hearing from you!
