

# Intending Trainers' Course – spring 2016

## Apply now to be a GP Trainer!

Applications are now being taken for the **spring 2016** Intending Trainers' Course which begins in February 2016.

Why not become a GP trainer and INSPIRE others?

**I** = Interact with new peers and have fun, all leading to big benefits for yourself and your practice

**N** = New modular format makes your training more time efficient – essential for a busy GP

**S** = Superb high quality teachers support you through the whole programme

**P** = Progress in your career in an exciting way, previous experience taken into account

**I** = Influence and enthuse the next generation of GP trainees

**R** = Rewarding and satisfying work – knowing you are making a difference

**E** = Enjoy the process and gain new skills that enhance your own practice
