

Part time Health Care Assistant

Hours of work: (Monday 08.30 – 13.00, Friday 08.30 – 17.30)

**Place of work: You will be required to work across our two sites located in central
Middlesbrough and Nunthorpe**

Borough Road & Nunthorpe Medical Group is a friendly, patient focused; busy practice based across two sites caring for 13,000+ patients

The ideal candidate will ideally have worked in General Practice previously. Preferably be fully trained in phlebotomy, ECG testing, blood pressure monitoring, NHS health checks and wound care

Experience in providing Seasonal Flu, Pneumonia, Shingles and B12 vaccinations would be advantageous but not essential as full training will be provided.

You will be caring, compassionate, enthusiastic, motivated and committed to provide only the very best in patient care. Good IT skills are essential.

We offer a friendly and supportive environment and the opportunity to develop further.

For an informal chat or further information please contact Lisa Fox (Practice Manager) on 01642 266206 or email lisa.fox2@nhs.net

To apply please send your CV with covering email to lisa.fox2@nhs.net

Closing date: 14th January 2019

Only short listed candidates will be contacted
