SEXUAL HEALTH TEESIDE
SERVICE REVIEW & RE-PROCUREMENT
General Practice Questionnaire

Thank you for agreeing to give your views on the way Sexual Health service provision works in general practice. In Teesside, the bulk of sexual health services are commissioned by local authorities. This survey is part of a full sexual health service review which will inform future service configuration.

Please answer the questions by selecting the appropriate boxes, or writing in the spaces provided. It will take approximately 10 minutes to complete the questionnaire. Note: Any number of staff members may answer this questionnaire from each practice.

All information collected will be completely anonymised and not personally identifiable. If you have any queries about the survey or the questionnaire please call NWA Research on free-phone 0800 3163630.

Qa Please write in the name of your practice:
___________________________________________________________

Qb Where is your practice located? (i.e. Middlesbrough, Stockton etc.) (Please write in)
___________________________________________________________

Qc What is your job role? (Please tick one box)

GP  Practice Manager  Nurse  Other (Please write in)

Current Services

6.d (If 'other') Please state which ones:  
(Please write in)
7.a What write of interaction do you currently have with the following sexual health service providers?

Virgin Care: (Please select all that apply)

- Clear and agreed referral pathways
- Effective communication and support with specialist staff
- Information of what is offered within their sexual health services
- Information of when and where sexual health clinics are available
- Relevant contact details
- Provision of posters, leaflets and other resources
- IT Systems to support referral process for all available referral options
- Access to training
- Epidemiological information
- Other (Please write in)
- None

7.b Pharmacy: (Please select all that apply)

- Clear and agreed referral pathways
- Effective communication and support with specialist staff
- Information of what is offered within their sexual health services
- Information of when and where sexual health clinics are available
- Relevant contact details
- IT Systems to support referral process for all available referral options
- Access to training
- Epidemiological information
- Other (Please write in)
- None

7.c Other NHS providers: (Please select all that apply)

- Clear and agreed referral pathways
- Effective communication and support with specialist staff
- Information of what is offered within their sexual health services
- Information of when and where sexual health clinics are available
- Relevant contact details
- IT Systems to support referral process for all available referral options
- Access to training
- Epidemiological information
- Other (Please write in below)
- None

8. Do you have any suggestions of how interaction between general practice and sexual health services across Teesside can be improved? (Please write in)

Future Services
As we consider future commissioning of sexual health services, we would like to know your views on how sexual health services can be best delivered in general practice to improve both services and outcomes for the population of Teesside.

9. What other sexual health services or services relating to sexual health might be delivered within general practice?  
(Please write in)

10. Can you describe for us what your preferred model of sexual health service delivery would look like within general practice?  
(Please write in)

11. Are there any barriers to making this happen? Are there any general threats or risks around the re-procurement of sexual health service across Teesside?  
(Please write in)

12. Is there anything else you would like to add that has not been covered?  
(Please write in)

13. Finally, this consultation is an opportunity for all stakeholders to influence the shape and nature of sexual health services in their area, and NWA will need to contact some G.P.s, practice nurses and practice managers to explore their views in more detail. Please indicate if you are willing to help further with the consultation process:  
(Please select one box)

☐ I am willing to undertake a follow-up interview (telephone or face-to-face) if NWA thinks this would be useful.
☐ I do not feel I can be of any further assistance to the consultation.

14. If you are willing to help further with the consultation, please provide your contact details below:  
(Please write in)

Name: ____________________________________________________________
Telephone: _________________________________________________________
E-mail: ____________________________________________________________

15. (If agreed to interview) NWA will contact you shortly to arrange an interview at a mutually convenient time, but if there are particularly days or times when you will not be available, can you please state:  
(Please write in)
