

Response to the Friends & Family Survey September 2015

The Friends & Family Test is an on-going survey which commenced in December 2014. The results are published both on the website and in the waiting area on a monthly basis. You can access the survey via our website at www.kennethmacraemedicalcentre.co.uk or in paper format from the waiting room or any of the consulting rooms.

During September 2015, a total of 11 forms were submitted via paper format. 11 patients were “**Extremely Likely**” to recommend our Practice to friends & family.

There were no electronic submissions available this month.

Thank you for taking the time to complete the survey.
