*NAMEM are pleased to be able to sponsor this programme and offer a £500 bursary towards the course fees. We are very interested in offering support and ensuring where bursaries are awarded that the learning is shared for the benefit of all members. This would be discussed in more detail once a bursary is approved.*

#### **THE PROCESS**

We suggest that you submit this bursary form at the same time as applying for the PG Certificate in Managing Healthcare Education at King's College London.

In order to apply for the bursary you will need to complete and return this form Sue Nutland, NAMEM Chair, [susan.nutland@nbt.nhs.uk](mailto:susan.nutland@nbt.nhs.uk) and copying in the Course Directors.

Once accepted onto the course and the fees have been paid we will confirm whether you have been successful in your application for the bursary.
