INFECTION CONTROL ANNUAL STATEMENT 2018

Purpose

The annual statement will be generated yearly.

It will summarise:

- Any infection transmission incidents and action taken (these will be reported in accordance with our Significant Event procedure)
- The annual infection control audit summary and actions undertaken
- Details of staff training (both as part of induction and annual training) with regards to infection prevention & control
- Any review and update of policies, procedures and guidelines.

Background:

The University of Reading Medical Practice lead for Infection Prevention /Control is Alison Alder - Nurse who is supported by:

Lorraine Watkinson, General Manager

This team keep updated with infection prevention & control practices and share necessary information with staff and patients throughout the year.

Significant events:

In the past year 17/18 there has been no significant events that related to infection prevention & control.

Audits:

Infection control audits were undertaken by:
Alison Alder & Lorraine Watkinson on the 26th July 2018

Actions from this included:

Clinicians are fully updated with regards to the infection control policy

Staff training:

Alison Alder continues to provide Infection, Prevention and Control induction training to all new starters and annual infection control updates to all staff.

85% of staff attended an annual infection control update on 2nd November 2017. The training was provided by Michaela Hooper (Infection Prevention & Control Nurse for Berkshire West CCGs)

July 2018
