Farewell from Dr Antje Haut...

I would like to take this opportunity to say "Good Bye" to all the patients I have seen and treated over the last 4 years. It has been a pleasure looking after you all and I hope I was able to give you the care you were looking for. I will miss working at Skerryvore and its supportive team where patients come first and we always strive to improve. Orkney will always have a special place in my heart. Best wishes for the future and good health to you all.

Dr Antje Haut

Dr Haut will be leaving Skerryvore Practice at the end of January to continue to work as a GP in Falkirk. We will be sad to see her go and wish her all the best with her move.

New Faces at Skerryvore Practice

We would like to welcome **Dr Amar Singh** to the Practice. Amar will be working with us until August. He is well known in Orkney and has been working as part of the Out of Hours Team.

We look forward to **Dr Fiona Cooke** joining the Practice. She will be with us from the end of January and will work with us for initially one year. Fiona is moving to Orkney from Nairn.

Dr Anne Tierney who you may remember from last year, is returning to the Practice after her travels to join us as a permanent doctor. She will be with us again in August. We look forward to her return.
