# Welcome to the North West Travel Clinic

The Travel Clinic, located at our main Glossop Surgery provides a specialist service for travellers requiring vaccination and immunisation. Qualified nursing staff are on hand to offer advice and administer vaccinations, and we stock a comprehensive selection of Travel Goods. We are an authorised yellow fever vaccination site.

Correct immunisation is vital to ensure good health whilst travelling and our staff are fully up-to-date with the latest vaccination requirements in each part of the world.

For ease of access, The North West Travel Clinic is open on Saturday mornings and Thursday evenings.

Please call **01457 860860** to arrange an appointment.
