

Social Prescribing

Your doctor isn't the only person who can help you feel better.

You can improve your health and wellbeing through social prescription.

this is Redcar & Cleveland

The **Social Prescribing Support Practitioner** helps you explore extra services that may support you to improve your health and sense of wellness.

The **Social Prescribing Support Practitioner** will aim to contact you by telephone to discuss what matters to you. They may invite you to come and see them at the GP practice or arrange to meet you elsewhere.

Social Prescribing can provide short term support with:

- Social Isolation
- Loneliness
- Emotional Wellbeing
- Accessing local groups & activities
- Long term health conditions
- Loss of confidence/purpose
- Poor health linked to housing or housing conditions
- Financial issues
- Substance/alcohol misuse
- Domestic abuse
- Accessing work, training and volunteering
