

## NORWOOD MEDICAL CENTRE

### PUBLICATION OF EARNINGS

The average pay for GPs working in the Norwood Medical Centre in the last financial year before tax and

National Insurance was £49,025

This is for 3 full time GPs, 6 part time GPs, and 0 locum GPs who worked in the practice for more

than 6 months.

2022/23

All GP practices are required to declare the mean earnings (e.g. average) for GPs working to deliver NHS

services to patients at each practice.

It should be noted that the prescribed method for calculating earnings is potentially misleading because it takes

no account of how much time doctors spend working in the practice, and should not be used to form any

judgement about GP earnings, nor to make any comparison with any other practice.
