

Patient Name
Date of Birth

PLEASE CAN YOU COMPLETE THIS FORM AND RETURN IT TO: MARKET STREET MEDICAL PRACTICE

The following test can help people with asthma assess their asthma control. Please tick the appropriate score for each question. There are five questions in total. Calculate your total Asthma Control Test score by adding up the numbers for each of your responses. Please answer the questions as honestly as possible. **If you score less than 20** your asthma may not be as well controlled as it could be. Please phone and ask for an appointment OR speak with Angela or Michelle

1. During the **past 4 weeks**, how often did your asthma prevent you from getting as much done at work, school or home?

1	All of the time	2	Most of the time	3	Some of the time	4	A little of the time	5	None of the time
----------	-----------------	----------	------------------	----------	------------------	----------	----------------------	----------	------------------

Score _____

2. During the **past 4 weeks**, how often have you had wheeze or shortness of breath?

1	More than once a day	2	Once a day	3	3-6 times a week	4	1-2 times a week	5	Not at all
----------	----------------------	----------	------------	----------	------------------	----------	------------------	----------	------------

Score _____

3. During the **past 4 weeks**, how often did your asthma symptoms (wheezing, coughing, shortness of breath, chest tightness or pain) wake you up at night or earlier than usual in the morning?

1	4 or more times a week	2	2-3 nights a week	3	Once a week	4	Once or twice	5	Not at all
----------	------------------------	----------	-------------------	----------	-------------	----------	---------------	----------	------------

Score _____
