

**Book your Doctor appointment Online Now here at  
Tanfield View Medical Group**

We are now offering a new service for booking appointments online. You can access this facility from our Practice Website at [www.tanfieldviewmedicalgroup.co.uk](http://www.tanfieldviewmedicalgroup.co.uk) and following the link to book your appointment. You will need to register with the practice for this service so that we can give you a login and password. When you come to register could you please bring some identification with you. Once you have been given your login details you will need to wait up to an hour before attempting to use the service. You will be able to book appointments with a doctor either 14 days in advance or on the day. You can also cancel any appointment you have at the surgery.
