

Eczema Support Group

Is your skin getting you down?

Are you sick of the itch, pain and getting no sleep?
There are hundreds of people in the North East just
like you.

Are you a family member that has been affected by
this skin condition?

Would you like to meet up with others to have a chat
about how you cope with eczema?

You may help others

If you have mild or severe eczema it does not
matter, all are welcome.
