

# Children's Physiotherapy Drop-in Clinics 2023

**For the assessment of babies and pre-school children  
(under 4's)**

- Concerns regarding delay with milestones (e.g. sitting/crawling)
  - Concerns with head turning/head shape
    - Concerns with walking
  - Concerns with regular tripping/falling

(Children with a pre-existing diagnosis/significant medical history/seeing a Paediatrician/Neonatologist will need a referral to the Paediatric Physiotherapy department)
