

Filey Surgery - Vaccinations for Travel

For advice on what vaccines you may require for your travels you will need to contact a travel company or travel clinic.

If they inform you that you require one of the free NHS vaccines listed below, please complete this slip and return it to the Surgery so we can check against your record that you are due the vaccine then make the relevant appointment.

Please tick:	Free NHS Travel Vaccines:	Private Travel Vaccines:
	Hepatitis A	If you require any private travel vaccines (the ones which are chargeable) you are required to get them elsewhere. More information can be found at: https://www.nhs.uk/conditions/travel-vaccinations/ https://www.masta-travel-health.com/ https://travelhealthpro.org.uk/
	Typhoid	
	Diphtheria	
	Tetanus	
	Polio	
	MMR
