

Help and Advice (PALS)

The Patient Advice and Liaison Service (PALS)

offers confidential advice, support and information on health-related matters.

They provide a point of contact for patients, their families and their carers.

How can PALS help?

PALS provides help in many ways. For example, it can:

- help you with health-related questions
- help resolve concerns or problems when you're using the NHS
- tell you how to get more involved in your own healthcare

PALS can give you information about:

- the NHS
- the NHS complaints procedure, including how to get independent help if you want to make a complaint
- support groups outside the NHS

PALS also helps to improve the NHS by listening to your concerns and suggestions.

Your nearest PALS is:

Making a complaint

If you're not happy with an NHS service, you can make a complaint.

You should complain to the person or organisation providing the service first, such as the GP, dentist, hospital or pharmacist.

Or you can complain to the commissioner of that service by contacting your local Integrated care board (ICB). Every ICB will have its own complaints procedure, which is often displayed on its website.

You can find your local ICB by visiting:

www.nhs.uk/nhs-services/find-your-local-integrated-care-board/

If you require more information on how to complain to the NHS please visit:

Our complaints procedure

We always try to provide the best service possible but there may be times when you feel this has not happened. We hope that most problems can be resolved easily and quickly, at the time they arise and with the person concerned however. If this is not possible please let us know the details of your complaint as soon as possible. If your complaint is six months after the event please state in your complaint the reasons why so that we can consider all the relevant information.

Who to complain to:

Written complaints should be addressed to:
Practice Manager Danes Dyke Surgery 463a Scalby Road, Scarborough YO12 6UB or emailed to hnyicb-ny.smg@nhs.net

What happens next:

We will endeavour to acknowledge your complaint within 3 working days of receipt and aim to have looked into your complaint and provide a response within 10 working days from the date we confirmed receipt. If this is likely to take longer then we will contact you to explain.

When we look into your complaint we aim to:

- Find out what happened and what went wrong
- Make it possible for you to discuss the problem with those concerned if appropriate
- Make sure you receive an apology where this is appropriate
- Identify what we can do to make sure the problem doesn't happen again
