

**General Data Protection Regulation – Patient Consent**

From 25<sup>th</sup> May 2018 all GP practices will need full written consent to allow prescriptions to be collected by a patient representative. *(If you are already signed up with a pharmacy then you will have already given them consent)*. Written consent will also be needed if a patient chooses a representative to obtain results and other clinical information. This includes husbands, wives, and children. All will need to be named and consent given.
