

KIVETON PARK MEDICAL PRACTICE PATIENT PARTICIPATION GROUP

A G M WEDNESDAY 20TH MARCH 2019

CHAIRPERSON ANNUAL REPORT FOR 2018/2019

THE PRESSURE ON G.P PRACTICES CONTINUES AS THE NHS YET AGAIN MAKES CHANGES TO THE WAY PATIENTS WITH VARIOUS MEDICAL CONDITIONS ARE TREATED DUE TO THE AGEING POPULATION AND THE FINANCIAL RESTRAINTS BEING PUT ON THEM.

I DO BELIEVE, HOWEVER, THAT WE PATIENTS, AT OUR PRACTICE CONTINUE TO RECEIVE EXCELLENT TREATMENT FROM ALL THE DOCTORS AND NURSING STAFF WHATEVER OUR MEDICAL PROBLEM MAY BE. THE MEDICAL TEAM ARE WELL SUPPORTED BY THE RECEPTION AND ADMINISTRATION STAFF LED BY PRACTICE MANGER MARSHA RAYNES.

DURING THE YEAR WE HAVE BEEN FORTUNATE TO HAVE HAD SEVERAL EXCELLENT SPEAKERS WHO HAVE GIVEN UP THEIR TIME TO TALK ON A VARIETY OF TOPICAL HEALTH SUBJECTS AT THE MONTHLY MEETINGS.

DR ULLAH - CERVICAL CANCER AND MEDICAL EDUCATION

MYLES FROM BAREFOOT PHYSIOTHERAPY

ALICIA HIGGINS – VOLUNTARY WORK IN ZANZIBAR

DR TOOTH – WHEN IS AN ILLNESS NOT AN ILLNESS

HEATHER SHELDON – DUP15Q-AUTISM

BEVERLEY – MENTAL HEALTH

I WOULD LIKE TO THANK ALICIA FOR PRODUCING THE MINUTES EACH MONTH AND SANDRA WHO HAS REPRESENTED THE GROUP AT THE ROTHERHAM PPG NETWORK MEETINGS AND HAS BEEN ABLE TO UPDATE THE MEETING ON THE CHANGES TAKING PLACE IN THE LOCAL AREA.

FINALLY I WOULD LIKE TO THANK MEMBERS FOR THE CONTINUING SUPPORT AND LOOK FORWARD TO ANOTHER INTERESTING YEAR AHEAD.
