

OUGHTIBRIDGE SURGERY

TRAVEL VACCINATIONS

We are only able to provide the NHS vaccinations recommended for travel. If you require the NHS vaccinations please pick up a form from reception or download it from our website. Please make sure we have an up-to-date mobile number. The nurses require the forms A MINIMUM OF 8 WEEKS BEFORE THE DATE OF TRAVEL.

The vaccinations we offer are Hepatitis A, Diphtheria, Tetanus & Polio and Typhoid.

Other vaccinations are available at Sheffield Travel Health Clinic at the Royal Hallamshire Hospital. 0114 2712608 or www.sth.nhs.uk/travel-clinic. There are other venues offering travel vaccines in Sheffield.

We are able to give you a print out of the vaccinations that you have had to date if this is helpful. Please speak to a Receptionist.

Further information can be found at the following website:

www.fitfortravel.nhs.uk (NATHNAC)

This website will give you current advice and news for the areas that you are travelling to. This information is free to access.

There is some information on our practice website www.oughtibridgesurgery.co.uk and look under the heading clinics and services.

Thank you

Nursing Team – Oughtibridge Surgery
