## MAKING AN APPOINTMENT

All surgeries and clinics are by appointment only. To make an appointment with a Doctor or Nurse, either come to reception or telephone us on 0114 242 6428 between 8.00 am and 6.00 pm Monday to Friday.

Each morning we provide book on the day appointments on a first come first served basis. If you would like a book on the day appointment you will need to call the surgery at 8.00am. We also provide pre bookable appointments however these are limited.

As a patient it is your right to express a preference of Doctor or Nurse within the practice.

Occasionally the Doctor you made an appointment with may have to leave the surgery because of an emergency. If this happens we may ask you to wait, see another Doctor or make another appointment.

## CONDUCT OF PATIENTS

We operate a zero tolerance policy at the Wincobank Medical Centre. Violence or abuse towards any G.P. or member of staff will not be tolerated and will result in patients being removed from our list.

## HELP US TO HELP YOU

If you cannot attend your appointment, please cancel as soon as possible. We will be able to change your appointment to a more suitable time for you and it will also allow us to see another patient in your place.

Please try to be on time for your appointments as arriving late may cause delays and inconvenience to other patients.

You should notify us immediately of any change of your address. This will avoid wasted appointments, confusion and delays.

Please ask for an out of hours visit only when it is truly necessary and home visits only when you are too ill to visit the surgery.

Don't be disappointed to come away from the surgery empty handed. The advice you receive from the doctor or nurse is just as valuable as any drug prescribed.

## ACCESS TO PATIENT INFORMATION

All the information we hold about you is confidential. It will not be released to a third party without your consent. This means we will refuse to give information, if we feel that we do not have your consent to disclose it. This would apply even if the person requesting the information was a carer, or relation involved in looking after you.

We will always seek to obtain your informed consent before embarking on any course of action. Verbal consent is usually enough, but occasionally we may seek written consent.

## NAMED GP FOR ALL PATIENTS

You may be aware that from April 2014 all practices were required to provide all their patients aged 75 and over with a named GP, this GP has overall responsibility for the care and support that our surgery provides for them. This has now been extended to cover all patients.

Your named GP will have overall responsibility for your care but it does not prevent or restrict you from seeing any other GP or nurse in the Practice This also does not guarantee that you will always see this doctor.

Our staff will tell you which of our doctors is your named GP on request. You can request who you want your named GP to be - you do not have to have a named GP and can opt out if you wish to do so.

## **GENERAL INFORMATION**

This is a group practice covering North East Sheffield, Shiregreen, Wincobank, Brightside, Rotherham, Blackburn and Kimberworth Park.

The surgery has access and facilities for the disabled and there is free parking available at the rear of the building.

Currently during the COVID pandemic, all GP appointments are conducted over the phone. If a GP needs to see you face to face, they will arrange a suitable date and time with you. Appointments will normally be available within 5 working days if non-urgent or within 24 hours if urgent. We will endeavour to give you a doctor of your choice within these timescales although this is not always possible.

Hospital referral letters are typed within 5 working days or the same day if urgent. Decisions regarding your treatment including options open to you will be explained and discussed with you. You may have the option of using the Choose and Book system during or after your consultation but this will depend on the type of treatment you are being referred for.

Test results requiring action will be notified to patients. Contact will be made directly to the patient unless otherwise agreed. Where telephone contact is not possible, patients will be notified by letter.

As a practice we are keen to support carers. By carers we mean people who look after a relative or friend who needs support because of age, learning disability, physical or mental illness.

We would encourage carers to make the practice aware by speaking to any member of the practice team.

## **COMPLAINTS PROCEDURE**

This practice is committed to providing care based upon the needs of all our patients.

If there is anything at Wincobank that you are not happy about, we would like to know. Please contact Mr Tyrone Tate, Practice Manager.

Your comments will be treated in confidence. We endeavour to acknowledge all complaints within three working days.

If you are making a complaint on behalf of someone else then we must have written consent from that patient to be able to respond.

Help and advice is available within the practice to make a complaint. An interpreter can be booked to assist you in making a complaint.

A complaint must be made within six months of the date of the incident or within six months of any problem being discovered provided that is within 1 year of the incident.

If you are not happy with the way we deal with your complaint or the outcome of your complaint, you can contact the Sheffield Patient Services Team (previously known as PALS) on 0114 2712400 for further advice. Alternatively you can contact Voiceability on tel. 0300 330 5454 or visit [www.voiceability.org.uk](http://www.voiceability.org.uk).
