

Reponses July 2018 - Friends & Family Test

We have submitted our July 2018 questionnaires with the following results:

Extremely likely to recommend = 12

Likely to recommend = 7

Comments:

Needs met.

Reception staff give a great service

New patient to surgery and can't thank staff enough for all their help and support, never experienced anything like it at previous surgeries. Dr Mallick is very kind and understanding.

Never had any complaints about the surgery

Always been very happy here

Telephone support is invaluable
