

Your views can help improve local GP and health services

Some patients registered at this GP practice will soon be invited to take part in a national survey about their experiences of local NHS services.

Visit www.gp-patient.co.uk to find out more

It covers issues that concern patients, such as access to care and satisfaction with treatment.

If you receive a questionnaire, please help NHS England by filling it in as soon as possible.

It is really important that we hear your views, even if you have received a questionnaire like this before. Your response will help us to improve GP practices and other local NHS services so they better meet your needs.
