Sexual Health Hertfordshire is pleased to introduce our new clinic, Clinic U.

Clinic U

Sexual Health Services for LGBTQ+ People

The service will run from our Watford and Stevenage clinics, on alternating weeks and offers sexual health services to:

- Women who have sex with Women
- Men who have sex with Men
- Bisexual
- Transgender
- Gender Queer and Questioning

Clinic U offers non-judgemental holistic sexual health care across a full range of sexual health services designed to meet the specific needs of the LGBTQ* community.

Both of our clinics offer the same range of comprehensive services and have a team of staff who are fully trained, experienced and understanding. We want to assure you that all information regarding your visit will be treated confidentially.
