The Cedar Brook Practice is looking for new PPG members of all ages and from all backgrounds.

## We need your help

Have you been to The Cedar Brook Practice as a patient, parent, carer or friend?

Your experiences matters. You can help us better treat our patients and improve what we do, bringing different ideas to the surgery on what most matters to you.

You will also gain a better understanding of the NHS and how it works.

## What is The Cedar Brook Practice Patient Participation Group (PPG)?

A Patient Participation Group (PPG) is a group of people who are patients of the surgery and want to help it work as well as it can for its patients, doctors and staff. The NHS requires every practice to have a PPG.
