84/03 A.O.B.

84/03.01 We have heard nothing back from the CQC

84/03.02 An advert has been put in the BMJ for a full time partner but no suitable applications as yet.

84/03.03 We have been asked to help support a stand in Basildon hospital to promote the CCG and the transformation. It is there once a month and John has offered to help on Tuesday 6th June.

84/03.04 The Royal College of General Practitioners has sent out a leaflet with questions you can ask the candidates in the election when they are spoken to on the doorstep. There was a discussion as to whether we should send the questions to the candidates for answers but it was decided that we would probably not get much response.

84/03.05 We have many new patients joining the surgery from Runwell, Shotgate and Swanwood.

84/03.06 The surgery was not affected by the Malware but closed the system down as a precaution.

84/03.07 John Leslie, from the CCG, is to be asked to come and answer our questions on for example the lack of GPs in Wickford, the CCGs overview of transformation, community care etc. John to make the request at the next SEMC/PEG meeting in June. If he agrees we will ask the chairs from the other local PPGs if they would like to attend the meeting.
