Dear Patient,

Please read and complete the appropriate application form and return it to the surgery, with a photocopy of your photo ID.

If any member of your family is between 14 and 16 years old, and wish to have access to this service in their own right, they will need to make an appointment to see a GP before this can be granted. Please make your child aware of this option.

If requesting coded medical records, please allow 21 days for your application to be processed.

If you have any enquiries, please contact the surgery on:- 01277 658071

Yours faithfully

Administration Team
