CORONAVIRUS

Every effort is being made to protect our patients from the current Coronavirus pandemic, therefore the following preventative measures have been put in place:

- **Please do not visit the Surgery unless asked to do so by a Doctor or Nurse.** If you have a routine appointment booked with a GP, this will now be a telephone consultation, however, face-to-face appointments will be arranged if deemed necessary by the Doctor or Nurse.
- Repeat prescriptions and all written requests can be put through the letterbox for processing by the Admin Team.
- Collection of medical correspondence and payment for Private referral letters. etc., will be dealt with at the Surgery entrance. Payments will be cash only for the foreseeable future.
