**You are amazing – thank you!**

We were delighted to receive £600.00 which all the members of The New Medical Centre Patient Participation Group raised recently. Your fundraising efforts are really appreciated and, with the help of amazing fundraisers like you, together we will make a real difference to people living in our local area.

Saint Francis Hospice offers a team of specialist doctors, nurses, and a range of other health and social care professionals that provide care and support to individuals with life-limiting illnesses and their families — completely free of charge. Individuals like Greg, who was passed away at our Hospice at just 37 years, leaving behind a wife and two young daughters — who had not yet started school. Greg's family, including Dolly and Pippa, continue to access our bereavement services to support them.

"He was so happy to get to the Hospice and needed a break. Greg knew he would get care 24/7 and not have to worry about waking me up in the middle of the night in pain." – Greg's wife, Violet.

Saint Francis Hospice is a local, registered charity and believes it's in the best interests of local people to know about the hospice services available to them, and the associated fundraising needs. We believe that this is a legitimate interest and a justified basis for communicating with you.

Information you provide will only be used for the legitimate interests of Saint Francis Hospice. Your information will not be sold, including communications. We will respect your right to stop these communications at any time by calling 01708 723593 or emailing [srt@sfh.org.uk](mailto:srt@sfh.org.uk). Our Privacy Policy is available on our website at [www.sfh.org.uk/privacy-policy](http://www.sfh.org.uk/privacy-policy) or by request.

Once again, thank you! The money you've raised will make a real difference and will go a long way to helping us to provide vital hospice care in ESSEX and beyond.

With gratitude,

Sean Erwood
