

## **Routine Childhood and MMR Catch Up Immunisations via Enhanced Access Services, bookable by Barking & Dagenham GP Practices**

### **Purpose: What would we like to achieve?**

- **Ensure children of Barking & Dagenham (B&D)** are **protected against the rising cases of Measles** within **London**.
- **Minimise and prevent Measles outbreaks** within **B&D** by offering **registered B&D patients the MMR vaccination** at their **GP** or within the **Enhanced Access (EA) Hub** service.
- **B&D patients** can get their **routine childhood and catch-up MMR vaccination** during the **evenings** and **weekends across the borough** across **all EA sites**.

### **What's available to Practices?**

- Effective **immediately**, B&D GP practices can utilise their **PCN\_Nurse EA allocations** to book eligible patients into **EA Hub service** for **routine childhood and catch-up MMR immunisations**.
- **Practices** are to ensure the **reason for booking** is **'MMR/Imms'** including whether the patient has requested the **gelatine-free vaccine** for **MMR** (Priorix).
- **100%** of the **Item of Service (IoS)** fee is **claimable** via **practice CQRS**. There is **no Federation Fee**. A **pathway** is available at the **end of this document**.

| <b>Routine Childhood Immunisations for 1 – 5-year-olds (QOF)</b> |   |
|--|---|
| <b>12 – 18 months</b>  | <b>3 years 4 months – 5 years old</b>               |
| Hib and MenC   | Measles, Mumps & Rubella (MMR)                      |
| Measles, Mumps & Rubella (MMR)                                   | Diphtheria, Tetanus, Pertussis and Polio (dTAP/IPV) |
| Men B (MenB Booster)   |   |
| Pneumococcal (PCV Booster)                                       |   |

| <b>Catch Up MMR Doses (up to 25-year-old patients)</b>                                       |
|--|
| Either 1 <sup>st</sup> or 2 <sup>nd</sup> dose with appropriate time interval between doses. |

|  |
|--|
| <b>100% IoS claimable via Practice CQRS for the above immunisations.</b> |
|--|

## **Practices: Call/Recall resources available**

With the **number of London Measles cases rising**, see links **comms resources** and **messaging** to **highlight** the **importance of vaccinating** and **protecting children** and **adults** during this time.

This includes the **offer** and **Promotion** of **'gelatine-free' MMR vaccinations** for **communities** which **need it**.

- **[Primary Care MMR Comms Toolkit Feb 2024](#)**
- **[UKHSA MMR Comms Toolkit March 2024](#)**
- **[MMR Comms Folder 2024](#)**
  - **Translated social media cards** and **MP4s** which can be linked within **practice social media**, **practice website** and **displayed** within **practice waiting areas**.

## **Federation: Call/Recall**

To further **support B&D GP Practices** with their **immunisation uptake**, the **Federation** will **also invite eligible patients** into the EA service for their **routine childhood and MMR catch-up** vaccinations.

Any **questions** or **queries** regarding this service should be sent to **Shika Sankla** ([Harshika.sankla1@nhs.net](mailto:Harshika.sankla1@nhs.net))

## Booking Routine Childhood and Catch Up MMR Vaccinations into Enhanced Access EA Hub Service appointments
