

DO YOU LIVE IN A HACKNEY COUNCIL HOME?

Do you want to get more involved in shaping housing decisions that affect your home and where you live?

Have you got good ideas about promoting more community involvement in your neighbourhood?

We want to hear from you

We want to know how we can help you get more involved in improving housing services. We want to hear your experiences around having your say on issues that affect you, engaging with our resident-led groups and about any challenges you may face in sharing your views. We especially want to talk to people from diverse backgrounds, who don't currently engage with housing services.

Residents who take part in a focus group will receive a **£20 Love2Shop voucher** or £10 for an interview. Everything you say will remain anonymous and not identify you in any way. Focus groups will take place in August and September so please get in touch as soon as possible.
