

# Kent & Medway Diabetic Eye Screening Programme

From 11th October 2019, the Kent & Medway Diabetic Eye Screening Programme will be provided by Health Intelligence.

**If you use the service, you will be invited to your next screening appointment. You do not need to do anything**

Your screening records will be securely transferred to Health Intelligence. This will be supported by NHS England & NHS Improvement South East (Kent, Surrey & Sussex) to ensure that your individual data and screening history is held securely and only accessible by the healthcare professionals directly involved in your care.
