**Your Prescriptions – If you live more than 1 mile from a Pharmacy we are able to dispense your medication to you from the surgery – if you live under 1 mile we will send your prescriptions electronically to the Pharmacy of your choice**

Which Pharmacy would you like your prescriptions sending to?

### **Your Health Records**

Your health records contain confidential patient information, which can be used to help with research and planning. If you would like this to stop, you can opt out of this yourself or on behalf of someone else. For example, if you are a parent or guardian of a child under the age of 13. Your confidential patient information will still be used for your individual care. Any choice you make will not change this.

For further information or to opt out please go to [www.nhs.uk/your-nhs-data-matters](http://www.nhs.uk/your-nhs-data-matters)

### **Carers**

A carer is someone who looks after a relative or friend who needs support because of age, physical or learning disabilities or illness.

Parent carer - a parent of a disabled child often see themselves as parents rather than carers, however additional services and support may be available

Young carers – This means carers who are under 18. The person receiving care is often a parent, but it could be a brother, sister, grandparent or another relative who needs support.

**If you are a carer and would like your name to be added to our register of carers, then please ask at reception for a carer form.**

<b>Are you a carer?</b>	<b>Yes</b>	<b>No</b>
<b>Does someone care for you?</b>	<b>Yes</b>	<b>No</b>

### **Patient Participation Group**
