

Need to see a GP in the evening or at the weekend?

NHS

Bexley

Clinical Commissioning Group

Patients registered
with a Bexley GP
can now access
GP appointments
in the evening and
at weekends.

Monday to Friday
6.30pm to 8pm

Saturdays
and Sundays
8am to 8pm

**Booking an appointment is easy – simply contact
your GP practice to book an appointment.**

Pharmacists can give patients expert advice on a wide range of long-term conditions and common illnesses such as coughs, colds and stomach upsets. No appointment is necessary and many pharmacists have private consultation areas so they are a good first point of call. The pharmacist will alert patients if further medical attention is required.

Remember: accident and emergency departments are for life threatening emergencies only. Dial 111 if you urgently need medical help or advice but it's not a life-threatening situation.
