We are in SEL CCG. (1 Lower Marsh SE1 7NT)

We are happy to register anyone living within the practice area.

We are also happy to register anyone outside of the practice area but this is discretionary.

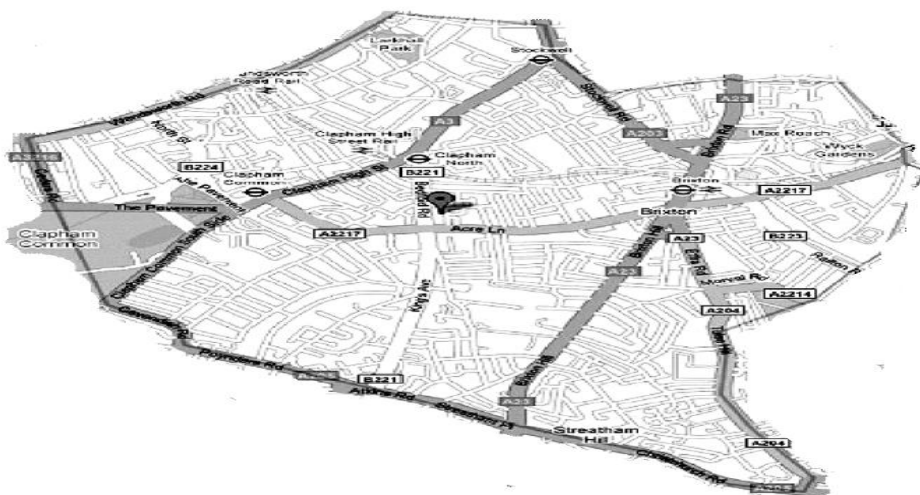

However, if you are registering outside of the practice area we do not offer a home visit service.

It is our policy to offer equal access to health care for all, regardless of age, infirmity, race, sex or sexuality.

PREMISES OPENING HOURS

Monday-Friday 8am - 6.30pm

There are appointment bookings for Tuesday evenings 6pm -8pm and from 9am-12pm on Saturdays, requested via your GP.

GP APPOINTMENTS

All GP appointments are all booked via our 'telephone first' system. Appointments are available to book from 7pm the night before online or by phoning reception from 8am the day you need a call.

You should normally book this appointment on the day that your GP is in surgery. *(A GP timetable can be obtained from reception or on-line)*

You will be offered a consultation either morning or afternoon. The GP will usually call you back within 1-2 hours.

The GP will book all your future follow-up appointments as required. Nurse appointments can be booked in advance directly through reception.

For on-line booking, please visit our website or obtain a pin number from reception.

Please note: On exceptionally busy days we may only be able to accommodate medically urgent appointments if the demand is higher than usual.

The GP will always offer flexibility by returning your call at a time to suit but within a reasonable timescale.

E consult – If you want advice from your GP, require self-help information or have an administrative request, please go to the e consult banner on the base of our website. You will get a GP response within 12 hour period.

NURSE APPOINTMENTS

These can be pre-booked via reception up to 6 weeks in advance.

VISITS

If you are unable to come to the surgery i.e. you are too ill or housebound, please try to make your request for a visit before 10.30am. Please give your name, address and phone number to the receptionist. It is helpful if you can give some idea of the reason for the visit. You may also be visited by an outreach nurse.

OUT OF HOURS EMERGENCIES

There is always someone at the surgery to answer your call from 8.00 am – 6.30 pm, Monday to Friday.

Outside these times, an answer machine will give details of how to get advice. Please call 111.

REPEAT PRESCRIPTIONS

For safety reasons, we do not take telephone requests for prescriptions, except by prior arrangement from the housebound. A repeat request slip is attached to each prescription. Please keep this for your next order. Prescriptions will be ready in 2 working days, or can be posted back if you enclose a stamped addressed envelope. If electronic prescribing has been set up, it can be collected directly from your nominated pharmacy. We can also accept on-line requests for repeat prescriptions if you have registered for this service. Please do not let yourself run out of important regular medication and only order what you require to avoid wastage. At intervals, we will ask people on regular medication to make an appointment for a check-up.

TEST RESULTS

Check with your doctor or nurse how to get results of tests you are having done and when to expect the result back.

CONFIDENTIALITY

Please let the receptionist know if you need to discuss something of a confidential nature away from the desk. There are cards in the waiting area which can be used for confidential requests.
