

CERTIFICATE of LEGIONELLA TESTING

Mediventure Limited

KT6 7QG

**This property has carried out a test for the presence of
the legionella bacteria in the water system(s), as evidence
of best practice.**

**The last test was on
30 June 2022
and no legionella bacteria were detected**

A handwritten signature in blue ink, appearing to read "D. Hollis", is positioned above the name Duncan S. Hollis.

Duncan S. Hollis

All bacteriological analysis
has been undertaken by fully
accredited UKAS
laboratories
