SALARIED GP: WALDESLADE SURGERY

SALARIED GP SLOAN MEDICAL CENTRE

We are looking to recruit a Salaried GP to complement our experienced and diverse team. The position is with a view to partnership. This is an exciting opportunity for an ambitious GP to join our friendly, progressive team based in a dynamic Medical Centre in Sheffield. We offer a chance to join a well-established training practice with a high performing team.

We believe in Person-Centred holistic care, working in partnership with our patients and local community to offer tailored long-term condition management. We have a strong focus on high quality patient care and working as a team.

Our premises are modern, and purpose built. Our team consists of 4 Partners, 7 Salaried GP's and a well established nursing team including Advanced Clinical Practitioners, Practice Nurses, First Contact Practitioner, and Healthcare Assistants. We use SystmOne, Ardrens and Accurx total triage for demand management.

We are a well-established training practice for GP Registrars, medical and nursing students. We have 14,000 patients over two sites and our list size is growing year on year.

We are leaders in Women's Health with a weekly Woman's Health Service offering LARC, coils and implants, and pride ourselves in keeping up to date with the management of menopause symptoms. Through our PCN membership we work collaboratively across our network area employing Pharmacists, Pharmacy Technicians, a Primary Care Mental Health Team, and a Social Prescribing team.

We have a very supportive and enthusiastic management team, excellent Patient Services and Administrative support staff and strive to provide a supportive work environment. We support the green agenda and believe in low carbon transport and personal health & well-being.

We hold weekly team meetings including MDT, SEA and educational sessions. We also hold more informal daily lunchtime meetings for all clinical staff. Our team are allocated dedicated CPD sessions based on the number of sessions they work, and this allows us to continue to be at the cutting edge of primary care. We also hold salaried team meetings and practice appraisals for the team.

- 6 sessions
- £11,000-£11,500 dependant on experience
- 15 minute appointments/12 per session
- NHS Pension
- 6 weeks annual leave and 1 week study
- Indemnity reimbursed
- BMA Model Contract
- CPD allowance
- Annual appraisal and regular Salaried meetings
- Start Date 4 January 2027

The post-holder will manage a caseload and deal with a wide range of health needs in a primary care setting, ensuring the highest standards of care for all registered and temporary patients.

The closing date for this advert is 23 August 2026

Please apply email a cover letter and include your CV to paul.roberts21@yahoo.com

SALARIED GP MULBERRY PRACTICE - PRIMARY CARE SHEFFIELD

Looking for your next work family?

At Primary Care Sheffield (PCS), we're looking for an enthusiastic, compassionate and motivated GP who wants to make a genuine difference to the lives of our patients and communities.

If you're passionate about delivering high-quality, patient-centred care and share our values, we'd love to hear from you.

Our Values:

- Innovative – we embrace new ideas.
- Empowering – we support our patients and colleagues to achieve their full potential.
- Ambitious – we strive for excellence in everything we do.
- Person-centred – we put people at the heart of our decision-making.
- Open – we work collaboratively and with integrity.

About the Opportunity:

An exciting opportunity for a Salaried GP to join our dedicated team providing high-quality, compassionate primary care to people seeking asylum, refugees and survivors of human trafficking.

This is a unique role that offers the chance to make a meaningful difference to the lives of some of the most vulnerable people in our community. Caring for a practice population of approximately 1,800 patients, you'll work alongside an experienced and supportive multidisciplinary team comprising of GPs, Advanced Clinical Practitioners, a Practice Nurse and a Healthcare Assistant.

Appointments are intentionally longer to allow time for interpretation services, trauma-informed consultations and the complex health needs of our patients. Many have experienced significant physical and psychological trauma, disruption to healthcare and the challenges of rebuilding their lives in the UK. Your work will have a lasting impact on their health, wellbeing and future. Our team places a strong emphasis on collaboration, with regular case discussions and mutual clinical support between GPs and nursing colleagues. You'll be backed by an experienced administrative, secretarial, reception and management team, allowing you to focus on delivering patient care.

Alongside comprehensive new patient health assessments, the practice delivers the full range of NHS primary care services, including chronic disease management and planned GP and nursing appointments.

Our benefits include:

- Competitive salary £10,236 to £10,881 annual sessional rate.
- NHS Pension Scheme.
- Salary sacrifice schemes including Cycle to Work, Electric Vehicle and Childcare.
- Leadership, quality improvement and service development opportunities alongside opportunities to develop special interests.
- Supportive training environment with mentorship, supervision and opportunities to contribute to education.
- Access to city-wide educational events and continuing professional development.
- Dedicated Human Resources, Finance and operational support teams.
- Top-up indemnity cover provided by MDU.
- Reimbursement for parking charges.

You'll develop expertise in refugee and inclusion health, trauma-informed care and complex mental health conditions, including post-traumatic stress disorder (PTSD).

Excellent communication skills, empathy and enthusiasm for working with diverse communities are essential. There is also the opportunity to undertake sessions at City Practice, which is located within the same building, offering additional flexibility and variety.

We strongly encourage informal conversation or a visit to the practice to learn more.

For more information and how to apply:

Contact - Nicola Pryor, Support Manager, nicolapryor@nhs.net or Kiz Haigh, Head of Primary Care, kiz.haigh@nhs.net
Applications by CV and covering letter to Kiz Haigh, Head of Primary Care, kiz.haigh@nhs.net.

Closing date for applications 13th September 2026.

ADVANCED CLINICAL PRACTITIONER (ACP) PRIMARY CARE SHEFFIELD

Exciting Portfolio Opportunity

Are you an enthusiastic and motivated Advanced Clinical Practitioner looking for a varied role where no two days are the same?

Primary Care Sheffield is offering an exciting opportunity to join our experienced clinical team in a unique portfolio role, combining autonomous clinical practice with opportunities to influence service development, innovation and research.

This diverse role offers the chance to:

- Work within our innovative Anima digital triage team, supporting timely access to primary care.
- Provide advanced clinical care within our established care home service, working closely alongside GP colleagues to deliver proactive ward rounds, comprehensive care planning and high-quality patientcentred care.
- Undertake face-to-face clinical sessions within our GP practices.
- Contribute to our growing Primary Care Research Team, supporting the development of research within general practice and helping shape the future of patient care.

This is an ideal opportunity for an ACP who enjoys variety, values collaborative working and wants to further develop their clinical and professional portfolio.

Why join Primary Care Sheffield:

As one of the largest primary care organisations in the city, we can offer opportunities that are difficult to find elsewhere.

Our benefits include:

- NHS Litigation Authority indemnity cover.
- Salary sacrifice schemes including Cycle to Work, Electric Vehicle and Childcare schemes.
- Working alongside a large, experienced and supportive multidisciplinary nursing team.
- Opportunities to develop specialist interests, including areas such as sexual health and long-term conditions.
- Leadership and service development opportunities.
- Training practice status, with opportunities to develop supervision and mentorship skills.
- Regular nurse forums, team meetings and protected learning opportunities.
- Access to city-wide education and professional development events.
- Dedicated Human Resources, Finance and operational support teams.
- A welcoming, collaborative culture that values innovation, continuous improvement and staff wellbeing.

About you:

We are looking for a compassionate, reliable and proactive Advanced Clinical Practitioner who is passionate about delivering outstanding patient care and improving health outcomes.

You Will:

- Be a registered Advanced Clinical Practitioner.
- Ideally have experience working within General Practice (although this is not essential).
- Be confident working autonomously whilst recognising the value of multidisciplinary teamwork.
- Demonstrate excellent clinical assessment, decision-making and communication skills.
- Share our commitment to delivering high-quality, patient-centred care.

The role will include occasional home visits for housebound patients, care home ward rounds and proactive care planning.

What You Can Expect:

This is an interesting, varied and rewarding role where you will be supported by experienced clinical,

management and administrative colleagues.

A comprehensive induction will be provided, with ongoing support from the Clinical Nurse Manager and wider leadership team to help you develop and succeed within the role.

Interested?

We warmly welcome informal conversations or visits before you apply.

To apply: Please send your CV and cover letter to: Laura Carnall, Clinical Nurse Manager -

laura.carnall@nhs.net or For any questions: Please reach out to Laura Carnall or Kiz Haigh Head of Primary Care Kiz.haigh@nhs.net
