### **GP VACANCY**

#### **Full or Part-time, Partner or salaried, negotiable**

Due to the relocation of one of our GP Partners Saltscar surgery are looking for a GP to join our team. We are an established GP training practice located in the centre of Redcar. Our team comprises of; - 5 GP Partners, 1 Salaried GP, 4 Advanced Nurse Practitioners, 3 Practice Nurses, 1 Health care Assistant, 1 Pharmacy Technician, and a highly skilled and supportive administration and reception team. Growing patient list size of 8300 patients.

We are a member of Redcar Coastal PCN supported by; - social prescribers, pharmacists, pharmacy technicians and physiotherapy. Our attached community services team, job centre advisor, ELM Federation with the STAR OOH service; all help us to deliver high quality primary care services to our patients. We have an active Patient Participation Group who meet monthly, supporting the practice to continually improve to achieve high standards of care.

Our team meet during breaks, hold regular clinical, practice and partnership meetings to support clinical learning, share information and develop services and new ways of working. We are looking for an enthusiastic forward-thinking GP who will share our commitment to deliver a high standard of clinical care to our patients. We believe our practice offers an opportunity for a rewarding and supportive career in General Practice.
