

Chesterfield GP Speciality Trainee Project Award

*Open to any GP Speciality Trainee on the Chesterfield GP Training
Programme*

This includes ST1, ST2 and ST3 trainees

- The award is for original and innovative projects which will contribute directly or indirectly to the quality of patient care.
- The QI work should be undertaken whilst employed on the Chesterfield GP Speciality Training Programme & can be during GP or hospital attachments.
- Submissions should not normally exceed 3500 words and include a description of the project, innovation or audit which is being submitted.
- Submissions should be made before 30th June each year.
- Submissions can be made electronically or on paper and should be submitted to the programme office - crhft.gpst@nhs.net
- The extent of involvement of others must be stated on the submission.
- Submissions will be judged by Programme Directors of the Chesterfield GP Speciality Training Programme.
- The winner will receive £100 and be notified by 31st July.
- You may wish to submit the project to the RCGP Speciality Trainee Award which has similar criteria <https://www.rcgp.org.uk/about-us/the-college/rcgp-awards/rcgp-uk-awards.aspx>
- If there are insufficient applicants in any one year the award may be withheld.
